## Recycling

Recycling is becoming clearer in Hammersmith & Fulham, thanks to a new see-through sack.

When residents get their next delivery of recycling sacks, they no longer be orange, but instead will be clear and transparent. The sacks are being delivered in stages over the coming weeks with the first residents to receive them being in the north of the borough. » [Read the press release](#)

If you live in a house or a small block of flats you can recycle using our Smart Sacks service.

» [Recycling for large blocks of flats](#)

If you live in a large block of flats with shared rubbish bins you will probably have a Smart Bank. **[Du cane have the Recycling Bank at Du cane House Block](#)**

H&F Council is giving residents the chance to recycle more unwanted small electrical equipment than ever at new special recycling banks.

Ten new waste electrical and electronic equipment banks - known as WEEE banks - are appearing at

various points across the borough, where residents can drop off small electrical items that are no longer wanted or broken.
